A session for public on basic civic rights

Arappor Iyakkam is organising a session to sensitise the public about their basic civic rights on November 12 (Sunday) at SBOA school, Anna Nagar, 4 p.m. A team of members will introduce to the Public as to how effectively they could use the various facilities provided by the Government and ensure they enjoy their basic rights. Topics will vary from as to how one could complain online, how to followup on a complaint and how to file RTIs. For details call 72000 20099.

The Founder Chairman of Velammal Educational Trust, Shri M.V.Muthuramalingam (centre) presenting a cheque of Rs 25 lakhs to Mr Ma Foi K Pandiarajan, (right) Minister for Tamil Culture towards establishing a Tamil Chair to enrich the language in Harvard University.

AIEMA urges corporation to speed up construction

Ambattur Industrial Estate Manufacturers Association (AIEMA) had urged the civic authorities to expedite the construction of storm water drains to ensure there is no flooding. The President of the AIEMA had said that everytime it rains there is only a temporary solution but its high time there is a permanent one. There is more than 2,000 industrial units in Ambattur and most of them are badly affected as water entered their premises. The industrial estate, pays a huge amount of property tax and one does not understand why these roads have been ignored.

LETTER TO THE EDITOR

Unfinished drain work, cause for concern

Sir,

A road in between TNHB rental quarters at Thiruvalluvar Salai in Mogappair East, is one that is used by the public and school going children. The storm water drains by the Corporation of Chennai is left unfinished for the past one month. The protruding rods and stagnated water is cause for concern to the residents. Will the authorities take remedial measures at the earliest.

Muthu Kumar,
Mogappair East

If you or your neighbours are facing any civic problems such as water logging, stray dogs menace, garbage dump on vacant sites and so on. Don't hesitate to send a photo with a caption to mogappairmail@gmail.com or alert us at 4269 0063.

Flooded Neighbourhood Roads Tell the Same Old Story

By N Rathi Chithra

A cross-section of residents of the Mogappair-Anna Nagar neighbour-

hood feels that the local authorities were in tackling flooding of the roads following a heavy spell of rains.

"The School Road in

were not put to hardship. But local residents had to wade through nearly knee-high water on the road. I wonder how could there

two decades, if anything the population has gone up and civic infrastructure remains abysmally poor. "When we moved to this Anna Nagar Western Extension neighbourhood, during monsoons we would find that the Thirumangalam Junction would get flooded each time there is a heavy spell of rain. The same was the case on School Road. What baffles me is that the same situation has prevailed and nothing has

been done to avoid flooding in such stagnation prone areas. This monsoon will bear testimony to my view," said Balakrishnan, a 60-something resident of the Welcome Colony located on the Thirumangalam-Mogappair Road.

Kubendiran, who identified himself as a civil engineer and resident of Soundariya Colony in Anna Nagar Western Extension, contended that it is not just the government

but also the public must share the blame for the mess. "Nowadays everyone is using only polythene carry bags to dump garbage randomly on the road. They don't even bother to deposit them in the garbage bins instead they simply throw it from their vehicles. Some of these plastic bags and garbage get deposited in the storm water drains and clog them leading to flooding during torrential rains," he argued.

hood feels that the local body authorities did not learn any lessons from the infamous and historic December 2015 floods that had marooned many parts of Chennai and its suburbs. The onset of this year's monsoon had exposed how ill-prepared the

Anna Nagar, which connects the Park Road and the 100-Foot Road and houses the SBIOA group of schools, was covered under a sheet of water during the recent heavy spell of rains. Luckily authorities had declared holiday for schools and students

be such level of flooding if all storm water drains were desilted well in time," said Vilashini Muralidharan, a resident of Anna Nagar Western Extension.

Long time residents of the neighbourhood say nothing much has changed in the locality in the past

Mogappair Telugu Cultural and Social Association celebrated Sri Sathyanarayana Swamy Vratam (Pooja) on Nov 11 at St Santhana Srinivasa Perumal Koil, Mogappair. About 300 persons attended the pooja. Justice Meenakumari, chairperson, Human Rights Commission, Tamil Nadu was also present.

Velammal's achievements keep soaring in chess

Aravindh, one of world's youngest GM loses National Premier title by half a point in Patna of Friday. Karthikeyan of same school finishes third.

By Julian Rodrigo

Velammal Group of Institutions, going by the innumerable stars they have produced over the years, could be undoubtedly termed as the nursery of chess. Not a day passes without one student or the other making their presence felt in a tournament in some corner of the world. It is not the mere participation that counts but the way the Velammalians have accomplished wins in various age categories that makes one wonder. Starting right from international stars Baskaran Adhiban, SP Sethuraman, V Saranya till the present youngster D Gukesh, who became the latest find of the season, the list is quite long.

The recent younster

who missed the Premier National chess title by a whisker in Patna, two days back was Aravindh Chidambaram of Velammal

Aravindh Chidambaram

third. Yet again it was double delight for the school that made headlines just a week ago through R Vaishali, win-

Murali Karthikeyan

Matriculation Higher Secondary School. It was just half a point that separated him from the ultimate winner Lalith Babu. Defending champion Murali Karthikeyan another Velammalian finished

ning the Blitz tournament at St Petersburg in Russia and D Gukesh becoming an international master.

Aravindh is one of the world's youngest Grandmasters, having won the title on Dec 20, 2014 at the

age of 15 years 1 month 11 days, 2 days after compatriot Murali Karthikeyan, both winning their titles at the U-16 Olympiad.

When he was 12 years old, Aravindh won the 2011 National Junior Boys Tournament held in Mumbai. He gained his FM title by placing first in the 2011 Asian U-12 Open Championships.

Aravindh comes from a poor family. He lost his father when he was three years old and is taken care of by his mother. He moved to Chennai from Madurai for the sake of his chess and made headlines earlier when he won the National under-19 championship. He was just 12 then. He is also a silver-medalist from the World under-14 championship.

Velammal Matricula-

tion HSS, Mogappair, has been at the forefront of promoting chess. The school has played the supporting role to perfection,

A positive aspect of the school has been the free education for talented sportspersons

helping many former students to make a mark at the international level.

Brother-sister duo of R Pragganandhaa and R Vaishali have brought laurels to Velammal School. Pragganandhaa won the World U-8 title in 2013 with a 11/11 score, while Vaishali captured the World U-12 girls crown in 2012. Another positive aspect of the school has been the free education for

talented sportspersons. Former Velammal student J Saranya, winner of a Asian under 14 title and a National Junior girls champ. She hails from a poor background and had been one of the beneficiaries of the system.

"Velammal is first of its kind in nurturing chess talents from the grass root level. It gives a wonderful atmosphere for an individual to manage chess and education simultaneously", said a former Tamil Nadu state champion.

MOGAPPAIR BRANCH LIBRARY Gets a New Lease of Life

By N Rathi Chithra

The Mogappair Branch Library, which previously functioned from a dingy building, has got a new lease of life as it is being shifted to a new building in Jashwanth Nagar in Mogappair West in a building where a health center was in operation.

According to the Librarian Revathy, this shift has been made possible due to the role played by former councilor P V Tamilselvan. He allotted the new place for the library and handed over the key of the building

last week.

Speaking to *Mogappair Mail* she said that originally the library was in the housing board building opposite to JJ Nagar East Police Station and beside the Fire and Rescue Service station. The building was pretty old and in a dilapidated state and so another small building in 4th block was allotted a couple of years ago for the library to function. "The building was not spacious to

PV Tamilselvan

accommodate all our books and so we had to leave around 25,000 books and 20 furnitures such as tables and chairs in the old building. The alternative building in the 4th block was very small and there was no power. We managed several months there without power," recalled Revathy.

She was originally attached to Anna Nagar West Library and later made in charge for the Mogappair Library too. "So I took efforts to get a new building so that the library will get a new lease of life. After a great struggle for years, Tamilselvan came forward to help. As promised he had handed over the key to us for the new building. We are in the process of shifting now," she added.

When asked how she will shift now when the weather is bad with incessant rains, Revathy said she had packed all the books in a sack bag and organised in the racks of the old building. However the fate of the books which were kept bundled for more than a year is not known. Re-

vathy, however, is optimistic. "We will shift and set the books so that more people will get the maximum benefit," she said.
