Velammal's Gukesh steals the thunder in Singapore

By R Srinivasa Raghavan

DOMMARAJU Gukesh brought joy to India, becoming the World chess champion in Singapore. He bettered Garry Kasparov's (22 years) youngest World champion record, achieving this feat at 18! In an intensely close match against Ding Liren, Velammal Vidyalaya's Gukesh clinched the final classical game to seal the crown with a score of 7.5-6.5. Gukesh, who was overcome with emotions following his victory, was the second Indian after Viswanathan Anand to win the World crown.

Anand, who has been Gukesh's mentor from 2020, lauded his historic accomplishment in Twitter: "Congratulations! It's a proud moment for chess, a proud moment for India, a proud moment for WACA, and for me, a very personal moment of pride. Ding played a very exciting match and showed the champion he is."

Going into the match, the general perception among the chess world being Gukesh was the overwhelming favourite owing to his outstanding

performances in 2024. On the other hand, Ding had struggled throughout the year, not winning a single classical game after January.

Gukesh once again showed maturity beyond his years, which was one of the reasons for his success. His opening preparation was better than Ding in this match. He assembled a strong team of seconds: Grzegorz Gajewski, Radoslaw Wojtaszek, Pentala Harikrishna, Jan-Krzysztof Duda and Vincent Keymer,

which benefited him immensely without a doubt. His team had a lot of good ideas in the opening. Working with renowned mental conditioning coach Paddy Upton also played a part in his stupendous show. Paddy was the mental coach of 2011 Cricket World Cup winning Indian team.

"It was probably the best moment of my life," was how a joyous Gukesh summed up his Himalayan achievement.

Gukesh hogged the lime-

light for the first time, when he became the second youngest GM in the world at 12 in 2019. His journey to the top started in 2022, when he won a lot of Open tournaments, which finally culminated in his sensational performance at the Chennai Chess Olympiad. He bagged an individual gold on the top board (9/11), inspiring India 2 to a bronze medal. From that point it has been an upward curve for the youngster.

It will be hard to match his performances in 2024. He started by winning the Candidates. It was followed by his stellar show, powering India to a maiden gold at the 2024 Olympiad in Budapest. He bagged second straight individual gold (9/10, 1st board) at the Olympiad with a stratospheric performance rating of 3056! He realised his dream by stealing the thunder in Singapore.

From Ayanambakkam to the pinnacle of glory

IN a historic moment for Indian chess, Grandmaster D. Gukesh, the young prodigy from Chennai, has emerged as the world chess champion. His phenomenal rise from a dedicated student at Velammal Vidyalaya Mel Ayanambakkam to pinnacle of the Chess world is nothing short of inspiring. The force behind Chennai's chess revolution is none other than the Velammal group of schools. Their students celebrated Gukesh's triumph by waving placards applauding him. D Gukesh and R Praggnanandhaa no doubt are the brightest prodigies of the school, which offers expert training to hundreds of budding chess players. Backed by the sports loving correspondent Mr M V M Velmohan, Velammal has produced the maximum number of GM's starting right from SP Sethuraman, Leon Mendonca, K Priyadharshan and B Adhiban.

Grandmaster D.Gukesh began his chess journey at an early age. Nurtured by the strong academic extra curricular foundation provided by Velammal Vidyalaya Mel Ayanambakkam, known for fostering talent, the school identified his potential early on and offered him the support needed to develop his skills. With rigorous training, dedication and an unrelenting passion for the game he earned his Grandmaster title at the age of 12, becoming one of the youngest ever to achieve this feat.

The turning point in his career came when he surprised the legendary Viswanathan Anand in live FIDE rankings, marking the dawn of a new era in Indian Chess. In 2024, his victory in the world chess championship confirmed his position as a Chennai icon. Grandmaster Gukesh's meteoric rise from a school student to the world champion is a testament to his dedication and support from his institution that nurtures young talent. This achievement not only brings pride to India but also finds a place in the annals of chess history.

Residents in Ambattur excited over new indoor shuttle court

By N Rathi Chithra

RESIDENTS of Pandian Street in Prakash Nagar, Pudur area, are buzzing with excitement following the inauguration of a new indoor shuttle court in their locality. The court, constructed by the Greater Chennai Corporation, is expected to offer a recreational haven for the growing number of sports enthusiasts in the area.

Spanning an area of 290 square feet within the Ambattur zone, the shuttle court promises to provide a modern, well-maintained facility for residents to indulge in indoor bad-

minton, a sport that has been gaining popularity in Chennai's urban neighbourhoods. The court's completion marks a significant step in improving local infrastructure and promoting fitness and sports in the region.

"We are thrilled with the opening of this indoor shuttle court. It's a

dream come true for our community. With this facility, our children and adults alike can now enjoy sports in a safe and convenient environment, regardless of the weather," said a resident of Pandian Street, who expressed her delight at the new addition to the neighbourhood.

The indoor court offers an ideal venue for both casual games and more serious practice sessions, making it a versatile addition to the area. The court is equipped with modern amenities and has been designed to meet the needs of both amateur and seasoned players. The facility is expected to serve as a focal point for various sports-related activities in the community. The court's construction was made possible through the efforts of the Greater Chennai Corporation, which has been investing in sports infrastructure across the city to ensure that residents have access to high-quality recreational facilities.

For many in the area, the inauguration marks the beginning of a new era for sports in Ambattur. The hope is that the indoor shuttle court will inspire more residents, especially the younger generation, to take up sports, stay active, and build lasting friendships.

NETHRODAYA (a social service institution) in Nolambur runs a free residential higher secondary special school for the visually impaired and physically challenged students (boys and girls). They have classes from standard 1 to 12 (tamil medium) and the school is recognised by the Government of Tamil Nadu.

Lokesh, a bright young student in the 1st Standard, is one among the lot whose lives are being transformed at Nethrodaya. Hailing from Maduravoyal, Lokesh is totally blind and comes from an economically weaker section. Like all our students, he receives completely free education, residential facilities and care — a testament to Nethrodaya's commitment to empowering the differently abled.

Many visually challenged children like Lokesh need access to quality education at the right age. Unfortunately, a lack of awareness often delays their learning journey.

Desilting efforts help reduce flooding in Ambattur, Anna Nagar areas

By N Rathi Chithra

THE recent spell of heavy rains in Ambattur and Anna Nagar has been met with positive feedback from residents, who credit the timely desilting of water bodies and flood carriers for reducing street flooding in these neighbourhoods. One of the key interventions was the desilting of the Manal Odai canal, which flows into the Puzhal lake, part of Ward 79 in Zone 7 of the Greater Chennai Corporation.

The Manal Odai canal, a crucial waterway for managing run-off during the monsoon season, had suffered from accumulated silt over the years, obstructing the smooth flow of water. However, thanks to the proactive desilting work carried out before the onset of the rains, the canal was able to efficiently channel rainwater, preventing

the kind of flooding that has affected the area in previous years.

"I have seen the difference this time," said Vijayalakshmi, a resident of Ambattur. "In past monsoons, this area would be completely submerged, and we would be stranded on the roads. This time, the water moved smoothly through the canal, and our streets stayed clear. It made a huge difference."

The desilting process, which included the removal of accumulated silt and debris, was carried out in the weeks leading up to the heavy rainfall. Local authorities worked on the canal's entire stretch, ensuring that the flow of water into the Puzhal lake was unimpeded.

Residents of Anna Nagar also voiced their appreciation for the efforts. "The last few years have been tough with

flooding," said Aravind, a resident of Anna Nagar. "But this time, the streets remained mostly dry after a few hours, and I didn't have to wade through ankle-deep water to get home. It's a relief to see the authorities taking action."

The desilting was part of a larger initiative by the Greater Chennai Corporation to improve stormwater drainage and flood management in the city's flood-prone areas. This effort is seen as an essential step in addressing the growing concern over flooding, which has been a recurring issue during the monsoon season.

"Desilting is just one part of the solution," said a Chennai Corporation official. "We are committed to continuing these efforts, as well as exploring other measures, to improve flood resilience in these vulnerable areas," he added.

Pothys celebrates silver jubilee in grand manner

POTHYS (Traditional) celebrated their silver jubilee in a grand manner on Dec 9. The staff, friends, well wishers and of course a few Directors were part of the gathering. To add a splash of humour to the celebrations, Pullavar Ramalingam, with his witty quotes, kept the audience in good spirits. S. Ramesh,

Managing Director in his speech took a walk down memory lane explaining the trials and triumphs experienced in this journey. The Pothys training academy (learning and development) for the staff

was officially launched. The programme ended with a dance performance by Pothys staff members. Earlier as a mark of respect, tributes were paid to Mr Sadayandi Moopnar, Founder of Pothys.

(On the dias L to R) Mrs Seetha Ramesh, Mrs Preethi Pothiraj (both Directors), Mr S. Ramesh (MD), Mr Varun Ramesh (Director) and Mr J Rajkumar (Deputy GM).

Training centre for disabled students

Covered blankets offered on trial basis

COVERED blankets have been introduced in the 'First AC coach' of the Madurai-Chennai Egmore Pandian express train on a trial basis from last Tuesday. This is the first of its kind initiative by Southern Railway as it aims to enhance hygiene and passenger comfort. Under this plan, blankets come with a washable linen cover that is cleaned after each use. Boot laundries handle the washing and repacking of the blankets with their covers. This ensures passengers receive fresh and clean blankets for every journey, maintaining proper hygiene, says a press release.

Thieves on a shops breaking spree

TWO men went on a robbing spree, breaking into seven shops, including the helmet shop of YouTuber TTF Vasan, and took away cash, helmets and mobile phones near Ayappakkam on Thursday night. They were armed with a machete

and an iron rod. The next morning several shop owners discovered that the shutters of their shops had been broken open. After looking through CCTV footage, they identified two persons on a motorbike. A case has been registered. Traders said that two other shops were targeted last week and are yet to be nabbed.
